

Code Of Conduct Bae Systems

Code of Conduct. Our Code includes practical guidance and examples to help employees deal with important ethical issues and is issued to all employees through a briefing session with their line manager. We regularly benchmark our Code of Conduct against other global companies to ensure it continues to meet best practice.

Code of conduct | Trust and integrity | Corporate ...

Code of Conduct and Key Policies. Code of Conduct. Our global Code of Conduct is a clear statement of what we stand for and how we do business. It sets out the standards of business conduct we expect all our employees to live up to in everything they do, wherever their role, wherever they operate.

Code of Conduct | BAE Systems | United Kingdom

Our global Code of Conduct is a clear statement of what we stand for and how we do business. It sets out the standards of business conduct we expect all our employees to live up to in everything they do, wherever their role, wherever they operate.

Code of Conduct | BAE Systems | United States

Code of conduct BAE is rolling out its new code of conduct. The aim is for all 106,400 employees to have been trained on and to have accepted the code by the end of the year. The code was developed with the help of the Institute of Business Ethics.

BAE Systems - A call to arms | Ethical Corporation

The Board has adopted a governance structure based on the UK Corporate Governance Code (the Code). This is detailed in the Operational Framework , which delegates matters to employees in a manner that has been designed to provide ongoing oversight of performance and adherence to policies and behavioural expectations.
